

*Catch up on reading
- or a bit of gossip!*

*No stressful
traffic situations
to deal with*

*Relax - let
someone else do
the driving*

*Community
involvement*

*It's more fun
for the children
- a bit of a treat
to go by bus*

BUS

VERSUS

CAR

*No
parking
worries*

*Traffic pollution
accounts for a quarter
of all CO₂ emissions,
contributing to climate
change*

*Congestion
set to worsen in the area,
and can be cut by a fifth
(21%) by using public
transport*

*Limits on parking
time & availability
of spaces*

*Stress of dealing with
traffic jams and other
drivers!*
