

Leighton Buzzard Shops & Market

There are many historical sites of interest in the local area, many dating back to when Leighton Buzzard itself was evolving.

For further information on the history of Leighton Buzzard there is a plentiful supply here in the Library.

Each time a trader stands on Leighton Buzzard Market, they make a donation towards market funds. This provides constant funding for the traders to be able to support local charities.

Traders have for many years made donations to local charities and good causes, one of these being The Buzzer Bus. This charity brings local people (elderly & disabled) to the market and is run by volunteers.

All Saints Church Steeple Appeal Fund also receives donations. This appeal was chosen because the Church is central to Leighton Buzzard and is an important landmark which can be seen for many miles around.
