

# DEMONSTRATION

23<sup>rd</sup> April 10.30 am

Between the Market Cross & the Old Fire Station, Leighton Buzzard

Stand up and be counted.

Make John Prescott know your feelings before the election!

## NO MORE HOUSES until we have;

- GP's & some form of hospital
- More Jobs
- Less traffic congestion
- Much better buses
- Greenspaces
- More Schools
- Affordable Housing
- Community Halls

**The whole character of Leighton/Linslade will change irreversibly**

*Proposed number of houses to be built in the next 15 years:*

Luton and Dunstable	20,000
Leighton/Linslade	6,000
Milton Keynes	44,000
Aylesbury	15,000
Bedford	19,000
Mid Beds	8,000
Northamptonshire	90,000

### Leighton/Linslade - the Future:

1. **Noise & Traffic!** Luton Airport will expand by fourfold in the next 25 years. Wasting your life sitting in traffic jams. According to the Highways Agency *congestion will get much worse.*
2. Wildlife and Countryside will be swamped by all the houses.  
*Unless we get involved now we will lose all our wildlife & countryside.*
3. There is no guarantee that any affordable houses will be built for local people. Only very rich people commuting into London will be able to live in Leighton/Linslade. *Local people will not be able to afford to buy here.*

Organised by South Beds FoE in association with local residents.
